

## A Stones Throw

November is a great month---one of my favorites! I am grateful to be a citizen of a country which understands the importance of observing a national holiday to give thanks and for being a Christian who knows who to give thanks to. Sunday, November 21<sup>st</sup> we will “praise God from whom all blessings flow,” with our Thanksgiving Feast at 5:15 PM and worship at 6:30 PM. Everyone plan on joining with us!

I don't know about you but time seems to be flying by. It is nice to gain an hour Sunday, November 6<sup>th</sup>! With time going so quickly I find it more important then ever to chose carefully how it will be spent.

Traditions such as All Saints Sunday, Thanksgiving meal with family and church family and Advent Wednesday(s) are such special times which seems to be more valuable with every passing year.

From the beginning of the month November 6<sup>th</sup> when we give thanks to God in remembrance of all the Saints who have gone before us, to the end of the month, when we prepare the Sanctuary for Advent and prepare our hearts and homes for His coming to us---we are most blessed!

On Wednesday Night Advent services start November 30<sup>th</sup> these are so special as we come together following our dinners to worship our Lord. We only have 3 Wednesday(s) this year so be sure to join with us for dinner and our Holden Prayer and special messages from the Jesse Tree readings.

See you Sunday!

In His gracious grip  
Pastor Mike

The Lenoir-Rhyne Sign Troupe is a performing organization comprised of hearing and deaf students. Together the students interpret songs into sign language in a way that visually enhances the meaning of the lyrics. Deaf people see and experience music in a unique way which we love to share. The goal of the Sign Troupe is to promote deaf awareness and reflect the beauty of expression in signing songs. We look forward to sharing our gift with the Mt. Pisgah family. The Sign Troupe is directed by Shawn Frank, Director of Support Services for Deaf/Disability Students at Lenoir-Rhyne University.

## Healthy Living

Contact: Margo Mosley, Extension Agent, North Carolina Cooperative Extension, 828-632-3125

If you have diabetes or are caring for someone with diabetes, learn how to feel better, how to feel healthier and happier through the *Living Healthy with Diabetes* series beginning Wednesday, October 19, 2011, in the Upper Room. Sessions are each Wednesday, 10:00-12:30 pm, beginning October 19 and concluding Nov 23. All classes are free and coordinated by North Carolina Cooperative Extension.

*Living Healthy with Diabetes* was developed by Stanford University in California. It is designed to help you learn to manage your symptoms, communicate with your doctor and other health care professionals, eat healthy, monitor your blood sugar and get more out of life.

Along with the course instruction, all who attend will receive a free copy of the book *Living a Health Life* with information not only about diabetes but other chronic conditions.

*Living Healthy with Diabetes* is sponsored by North Carolina Cooperative Extension in Alexander and Catawba counties and the North Carolina Division of Aging and Adult Services. Advance sign-up is required. To register or for more information call Margo Mosley at (828) 632-3125.

## Simply Giving

Did you know that there is a way to be sure that your offerings to the ministry of our church are received whether or not you are in your pew on Sunday morning?

Simply Giving is an automated giving program designed to help you conveniently and consistently contribute to Mt. Pisgah. Through **Simply Giving**, your gifts are made through a pre-authorized withdrawal from your bank account. You determine the amount and frequency of your automatic gift—weekly, semi-monthly or monthly—the option is yours. **And this selection can be changed at any time.** Your gift is deposited into the church's bank account on the same day it is withdrawn from your account—at no cost to you.

**Simply Giving** is a reliable, safe way to move your stewardship plan into action. But you're not the only one that benefits. The congregation benefits from steady, more predictable revenues throughout the year, more efficient bookkeeping and greater confidence in meeting our financial commitments. Currently more than fifteen member families are enrolled in **Simply Giving**. Please consider joining them in this program. Contact Margie Oakes, our church secretary, for the application form.

## IRA's and a Giving Opportunity

Are you older than 70½? Are you required to take an annual distribution from your IRA? IF so, there is a special tax break opportunity for calendar year 2011 only. As a result of Federal tax legislation enacted in December 2010, taxpayers over the age of 70 ½ are allowed to make tax-free withdrawals up to \$100,000 from an IRA when those funds are directed to a qualified charity like Mt. Pisgah. The funds must come directly to the church from the holder of the IRA. Contact your IRA bank or broker to get more information on this unique opportunity. I also have some limited further information for anyone who is interested.

Lovingly The Bolick Family.

Pastor Mike,  
We can't begin to thank you enough for your kindness and support and all the visit during dad's illness. We are so thankful dad was able to meet you, he liked you a lot and would ask about you daily. You seemed to always show up at the right time just like an angel from God. I don't know how we could have gotten through all this without you. Your words were inspirational and a comfort to us all. You did a wonderful job with dad's funeral and we are forever grateful. Blessing to you.

Lovingly  
The Bolick Family

## Adult Sunday School News

Special Thanks to Mickey & James Adair for leading the class for October.

Our leader for Sunday School will be Laurie Wegner for the month of November (6, 13, 20, 27). Grab your cup of coffee and join us!

Laurie will be leading the Adult Sunday School Class in a discussion of two intriguing books: Marva Dawn's "**Keeping the Sabbath Wholly** and Wayne Muller's Sabbath: **Restoring the Sacred Rhythm of Rest**. Muller article in the August 2011 issue of *The Lutheran* entitled "Sabbath: Being, Having and Doing Enough" prompted me to think about how we are to honor the traditional "day of rest" when we are so busy chasing everything but "quiet time." Marva Dawn is an internationally recognized Christian scholar, theologian, educator and author who was keynote speaker at the ELCA Synod Convention at Lenoir-Rhyne about five years ago. Muller is a therapist and community advocate who speaks about the "busy-ness" of our lives as it relates to our spiritual wellbeing.

While this series of classes may not cause you to change what you chose to do with your Sundays, it may give you cause to THINK about the long list of things you feel you MUST accomplish on the Sabbath. It is my hope that this series of lessons will speak to me personally as sometimes I try to cram as much WORK into a Sunday afternoon as possible. Come join in the study in Celebration Hall at 9:15AM!

**December 4, 11, 18** Pastor Mike will be leading a class on The Journey—Walking the Road to Bethlehem. This will be a journey from Nazareth to Bethlehem using historical archaeological data and Holy Land video footage. We will re-visit the happenings of the Nativity.

## Mt. Pisgah Family,

Thanks so much for the cards and gifts for Pastors Appreciation. Laura and I feel so blessed to be serving you together and to be part to this special family. God's richest blessings to you all as we serve our Lord and His people together.

### Did You Know?

For many years Mt. Pisgah has been blessed with a Long Range Planning Team. Pastor Ken Tonnesen had a "Future Committee" to prayerfully consider future visions and plans for the congregation and in 2006 Pastor Mike began a L.R.P.C. "Vision Team" as a precursor to the B2B2 Campaign and our 150<sup>th</sup> Anniversary.

The L.R.P.C. Consists of 15 members who bring a variety of gifts and insight, please pray for them as we seek for God's desire for our future at Mt. Pisgah.

Often times I will kid around about Plan G. That is God's Plan. Often what I want to do or think we should do is not about what God has in mind. So my plan A is changed many times! I have yet to be disappointed with following Plan G. Please pray that is the plan we chose!

Thanks Pastor Mike
